Dear Friends of San Francisco - Kraków Sister Cities Association (SFKSCA),

With special thanks to SFKSCA Co-Chairs Chris Kerosky and Tad Taube for their visionary leadership and deep commitment to building constructive and vibrant ties between the United States and the Republic of Poland, I am honored by their call to volunteer as President of the SF-Kraków Association.

By taking the lead in linking these two extraordinary cities famous for their poets, music, leaders, and architecture, Tad and Chris are building the foundation for an exciting partnership of cultural, educational and economic exchange. In addition, their especially effective team members of Shana Penn and Hanna Sieracka make important contributions. Over the past months, Ed Baker who has volunteered as financial secretary and Maureen Mroczek Morris, who has volunteered considerable time with contributing to the website, with general editing and event content development, have both made outstanding contributions to SF-Kraków.

Through our new website, [www.sfkrakow.org](http://www.sfkrakow.org), we welcome the founding individual members and organizations, including the [Taube Foundation for Jewish Life & Culture](#), the [Polish Club of San Francisco](#), as well as a membership pledge from [Łowiczanie Polish Folk Dance Ensemble](#). Individuals and organizations are invited to join as Founding Members for \$25, \$50, or \$100. Your application to become a Founding Member will only take a few minutes through the website.

Feel free to call (415-623-4123 or 415-475-9624) or email [jhfullen@sfkrakow.org](mailto:jhfullen@sfkrakow.org) if you would like to share suggestions for the future, or find a way to participate in upcoming projects.

On behalf of the Co-Chairs, the Board of Directors and the Founding Members, I invite you to join the efforts to promote stronger and closer ties with Poland by embracing the new and growing friendship between San Francisco and Kraków.

Sincerely,

John Henry Fullen
